SCHOLARSHIPS and FINANCIAL INFORMATION

Of the ~40 students accepted into the two Astronomy Camps this summer, at least five will be awarded scholarships through funds donated by our Camp alumni. Usually, partial scholarships are awarded with the amount determined by demonstrated financial need. Particular consideration is given to new students.

If you completely fill out the information below, then you will be considered for a scholarship unless you check [] that you don't want to be considered for financial aid, in which case this information is optional but will help us understand the overall impact of Astronomy Camp.

All information is strictly confidential and will be used only for the purpose of awarding this scholarship.

Completed applications are considered on a first-come, first-served basis. You will be notified of our decision no later than March 11 in time to make travel arrangements.
