[Astronomy Camp]

The University of Arizona is committed to providing a safe, fun, and healthy learning environment for all Minors involved in Programs or activities it sponsors. The University encourages an environment of mutual respect among participants, volunteers, staff, and faculty.

Minors are expected to follow all University policies as well as the guidelines listed below:

1. Work cooperatively and respectfully with other Minors, volunteers, faculty and staff.
2. Follow established Program and activity rules and directions.
3. Use appropriate language and behavior at all times. Language or behavior that is abusive, harassing, or threatening may result in my removal from the event or activity.
4. Use all University property and materials appropriately. Charges may be incurred due to misuse or damage.
5. Dress appropriately for the activities as directed by Program staff, including the use of safety gear where required.
6. Remain on event property or with the group at all times. Participants should not leave the property or group without prior notification and authorization from Program staff.
7. Obey all local, state and federal laws.
8. Not bring any prohibited items to activities and events including tobacco, alcohol, drugs, illicit material, and weapons outside of sanctioned events.
9. Not host guests in University-owned or University-provided overnight accommodations without express permission from Program staff.
10. Report to the Program supervisor any abuse or neglect committed against any Minor during Program activities.

It is the goal that all Minors have a positive experience with events and activities offered, hosted, or sponsored by The University of Arizona. In order to promote the health and safety of all involved, participation by a Minor may be terminated at the discretion of Program staff if the Minor does not abide by the above expectations.

I have read, understand and have discussed the above expectations with my child.
