Teen Astronomy Camps 2022

Of the ~40 students accepted into the Astronomy Camps this summer, at least five will be awarded scholarships. Usually partial scholarships are awarded with the amount determined by demonstrated financial need. Students are expected to fund the remainder of the tuition on their own initiative. Particular consideration is given to new students.

Please complete this application form and submit it along with the student's regular application to either the Beginning or Advanced Astronomy Camp. All information is strictly confidential and will be used only for the purpose of awarding this scholarship.
